SPRINGDALE.

Mr. and Mrs. L. F. Pigg were shopping in Maysville Saturday.

Mr. Charles R. Williams of East Limestone is visiting relatives here.

Mr. Dimmitt Kennard of Covadale, Lewis county, is visiting friends here.

A pair of spirited horses driven by Mr. G. W. Hook ran away while descending Sycamore hill Friday. Fortunately no serious damage.

Mr. Robert Girvin our efficient road overseer, after a protracted jury service is now at home looking after his farm work and superintending some needed road repairs.

A fine lot of built-up pews arrived here the first of last week from Cincinnati. They are being hauled to Olivet, near Rectorville. This handsome new church will soon be ready for occupancy.

Our school census has been completed and notwithstanding a number of families have moved away and the Grim reaper devastated some of our homes, we still have near or about 60 pupils enrolled.

The residents of Springdale are somewhat elated at present. We are gazing loftily with a sidewise—we are tempted to say backward glance at our towering neighbor, the city of Maysville. For why, do you ask? Our answer is: Maysville is allowing her once beautiful Esplanade to be neglected, while we are

actually building a park. In front of the station here, between the railroad track and the river, is a long, narrow strip of land that heretofore has been given over to bushes and weeds. Some of our boys, with eyes artistic, have in their imaginations pictured flowers, groves and rustic seats, instead of weeds and ash-heaps. The inspiration of creation that so vitally flows at springtime set their muscles to making realities of these pictures. Now all spare time of the boys (we hope to be able to say the girls as well) is devoted to cleaning and beautifying this strip of land, where travelers can rest and enjoy the splendid view of valley, hill and river while waiting for belated trains.

Springdale occupies small space on the map. On most of them it is conspicuous by its absence. We citizens of the place are very proud, however, of the large proportion of capable boys and girls its quiet, modest homes have sent out to be efficient helpers in the world's work. Men and women most of them now are, but to us who are far past the zenith of our own brief span, they are still "boys and girls." Our girls, as queens, are building new homes of fine material, art and culture on the foundation gathered in the serene homelife of honesty, morality, courtesy and lofty aspirations. Our boys are nobly and bravely putting their shoulders to the wheels of progress and unflinchingly doing their very best. This town did not always bear such a record regarding its young citizens. Years ago it had a reputation that was anything but enviable. It was once known to rivermen as "Hell above Maysville," and to the community round about as "the Deadfall." It was situated on the main county road leading from Eastern Kentucky to Maysville. It contained three wet groceries. Some of our wealthiest citizens laid the foundation for their fortunes in these same groceries. Men from the hill country East would go to Maysville, attend to business matters; would reach Springdale on return trip; when, after sampling goods in one or more of the groceries, would be unable to proceed, sometimes for days, but would "fall

dead" seemingly, hence one of the names. Forty years ago Orangeburg Precinct, of which this town was then a part, voted dry at the general election, since which time Springdale and the surrounding community—in fact, the whole Precinct, has been moving onward and upward.

Regular prayer-meeting tonight at 7:30 at the Christian Church. A good attendance is requested.

Questions involving the future of the Burley tobacco organization, known as the Society of Equity, in Kentucky, were presented to the Court of Appeals Monday in an action brought before the Court from Woodford county. The American Tobacco Company and individuals engaged in raising tobacco have asked the Court to dissolve an injunction secured in the Woodford Circuit Court restraining these individuals from selling their tobacco to the plaintiff after they have pledged it to the Burley organization.

Of course we can't take an ape or a man whose ancestors walked on all fours and make him look like an Adonis or a Beau Brummel; but we are showing a line of Suits for men and young men that for style, fit and finish far exceeds anything we have ever shown, and we have always shown the BEST. We invite comparison—see what the other has and then look at ours.

#### A FATAL MISTAKE.

Is Often Made by the Wisest of Mayville People.

It's a fatal mistake to neglect backache. Backache is the first symptoms of kidney ills. Serious complications follow. Doan's Kidney Pills cure them promptly. Don't delay until too late. Until it becomes diabetes—Bright's disease. Read what a Maysville citizen says: James D. Tolle, clerk at Wood Bros., meat market, and living at 117 Short street, Maysville, Ky., says: "I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent. There was also a burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit continued their use until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

For sale by all dealers. Price 50 cents a box; Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take it other.
